

450 Series

Vandal Push Button Switches

SDC's 450 series vandal resistant push button switches incorporate a 1/4" thick aluminum faceplate and an all stainless steel button. The assembly will resist the impact of a hammer blow. In addition, security spanner mounting screws are concealed by tamper resistant aluminum plugs to inhibit tampering.

453P models include a 1 to 45 second pneumatic timer for delayed re-locking.

- Stainless steel push button
- Heavy duty thick aluminum faceplate
- Security screws
